### Information

Trade Secret Designs would like to help your non profit agency with your web design or graphic design needs.

### Web Design

---

We will build your site for free under the condition that we believe it to be an asset to the agency. Please see the disclosure below.

### What Is Included

- ∅ Web Design package #1 (Please see web packages for details)

### Disclosure

The only charges that will be applied are through the hosting companies. The hosting company is where your site will be stored. Also this is where you will purchase your URL. There are many different hosting companies to choose from. Trade Secret Designs will build the site for free. Although we will require that we can use the site in our portfolio. Charges will apply if the agency decides to take donations via the web site. Contact us for more information.
